

*County of Orange Human Resources Department*  
**Memorandum**

---

October, 2007

To: County of Orange Retiree

From: Human Resources, Employee Benefits

Subject: **2008 Health Plan Changes for Retirees Over the Age of 65**

---

In a recent communication, you received important information on changes to the County of Orange health plans. This correspondence will serve as a follow-up to provide a preview of your 2008 Open Enrollment options and provide additional details regarding:

- New Health Plans and Health Plan Summaries
- Health Plan Rates for 2008
- Open Enrollment Presentations and Information Phone Lines

**New Health Plans and Health Plan Summaries**

In order to minimize the impact of the split pool rates, and maintain affordable, high quality benefits for our retirees, several new health plans will be available to choose from in 2008.

Two new Medicare Advantage Plans will be added for Retirees Over 65 with Medicare Part A and B: Blue Cross Private Fee-for-Service (PFFS) Custom Plan and Blue Cross Private Fee-for-Service (PFFS) Standard Plan. PFFS plans are a newer type of Medicare Advantage plan. PFFS plans are licensed in 50 states and in Washington, DC which allows retirees access to care across the United States. A retiree with Medicare Part A & B can select any licensed provider who participates in the Medicare program, i.e. accepts Medicare Assignment. There is no Health Plan network restricting the retiree's access to medical care. The custom plan has coverage with copayments that are similar to the current CIGNA HMO retiree health plan. The standard plan has coverage with higher copayments and a lower premium rate.

One new PPO option will be added: Exclusive Care Select Health Plan. Exclusive Care is a Retiree Health Plan operated by the County of Riverside and provides nationwide coverage. The Network is comprised of two tiers. Tier one is comprised of the County of Riverside Medical facilities and four private hospitals in Riverside County. Tier two allows a retiree to select any licensed provider who participates in the Medicare program, i.e. accepts Medicare Assignment.

**(See Reverse Side)**

Premier Sharewell has been identified as a Health Savings Account (HSA) compliant Plan for retirees. The plan design complies with an HSA, high deductible plan, but without the health savings account contribution. This will enable you to establish your own HSA, to which you may contribute and be reimbursed for Sharewell premiums, co-payments, deductibles and health care expenses on a non-taxable basis. Please consult with a tax advisor regarding the tax implications of establishing a HSA.

Enclosed are Health Plan Summaries with the benefit coverage for each of the plans available to you including the new health plans.

Please note that the Blue Cross Private Fee for Services (PFFS) Health Plan Summary has benefit areas highlighted in **bold type**. The information in bold will differ from the information contained in the Benefits Enrollment Guide which you will receive in your Open Enrollment packet. Please be advised that the benefits in the enclosed Health Plan Summary in **bold type** reflect the most up to date and current plan benefit information and should be regarded as a corrected Health Plan Summary for this plan.

### **Health Plan Rates for 2008**

Enclosed is the 2008 health plan rate table for each health plan available to you through the County of Orange. Please review the rates carefully, as they include the new health plans available to you in 2008.

### **Open Enrollment Presentations and Information Phone Lines**

The County remains committed to quality, affordable health plans and educating our retirees in making wise health care decisions. During Open Enrollment there will be a variety of resources to support and assist you with your questions and concerns. One form of assistance will be Open Enrollment Presentations beginning October 22<sup>nd</sup> through November 19<sup>th</sup>. These presentations will include an overview of each of the health plans and an opportunity for you to ask questions of each of the health plan representatives. Enclosed is the 2008 Retiree Open Enrollment Presentation schedule. In addition, information phone lines will be available for you to speak to Customer Service Representatives from each of the health plans about your own personal situation. Please see the enclosed Health Plan Summaries for the toll-free phone numbers for each plan.

With all this information in mind, we encourage you to begin thinking about which health plan may be right for you. At the end of October, you will receive your Open Enrollment packet that will contain your Benefits Enrollment Guide and your personalized Benefits Enrollment Summary. Your personalized summary will show the health plans you are eligible to enroll in through the County of Orange and the 2008 rates for each plan. Should you have any questions regarding eligibility, the Benefits Resource Line is available at 1-866-325-2345 to assist you and answer your questions.

 For more information, contact  
 Kaiser Permanente at 1-800-443-0815 or [www.kp.org](http://www.kp.org)

**\*\*\*Important Enrollment Information\*\*\***

The election for this health plan requires an enrollment form to be submitted to Kaiser for each member of your family that is Medicare eligible. If the form is not received and approved by Kaiser on or before **December 31, 2007**, you and your family will remain in your current plan. Once the enrollment is approved by Kaiser you will be enrolled into Kaiser Senior Advantage effective January 1, 2008. However, the Center for Medicare and Medicaid Services (CMS) must also assign Medicare to Kaiser. If this assignment is not approved by CMS, or if you or one of your dependents lose Medicare in the future you and any dependents will be defaulted into Premier Wellwise on the 1<sup>st</sup> of the following month from receiving denial from CMS.

Annual Out-of-Pocket Maximum for Certain Services	
Retiree Only	\$1,500 per calendar year
Retiree with 1 Dependent	\$1,500 per calendar year
