### ABOUT ORANGEWOOD CHILDREN'S HOME...

Orangewood Children's Home (OCH) was dedicated on November 4th, 1985, replacing Albert Sitton Home. Orangewood was completed through the efforts of a unique public-private partnership joining government services with individuals in the community. Orangewood Children's Home received a group home license on July 31, 2001 (Facility #306001347).

**Current Capacity:** OCH has the capacity to house 216 children. In fiscal year 2005-2006, care was provided for an average of 117 children per month with monthly averages ranging from 61 to 152.

**Community Involvement:** In an effort to normalize the children's experiences while at OCH, they are involved in a variety of activities in the community including field trips to athletic events, off site recreational activities, amusement parks, movies, fast food outings, beach trips, etc. Donated coupons and funds help facilitate these activities. Community groups also donate their time by hosting carnivals, play days and other activities at the home. For information regarding activities, call [\(714\) 935-7571](tel:7149357571).
