A project of the SOUTHERN CALIFORNIA ASSOCIATION of GOVERNMENTS

Public Growth Visioning Workshop

Plan the Future of One of California's Fastest Growing Regions

Including the Four Corners Area, Chino Basin, San Gabriel Valley, Western Riverside County and Southwestern San Bernardino County.

Wednesday October 29th, 2003

5:30 p.m. Registration & Map Review

6:00 p.m.-9:30 p.m. Workshop Exercise, Presentation by Peter Calthorpe

Where:

South Coast Air Quality Management District
21865 Copley Dr.
Diamond Bar, CA 91765

What is your vision for the future of the Region?

Where do you want to develop housing, protect resources or bring jobs?
How would you change roads, transit or the commute in your city?

How are we going to get there?

Policy forums early next year will focus on how to achieve your vision through specific strategies, policies and implementation tools.
