---

Request to continue Agenda Item(s) 17 to the July 31, 2007 Board Meeting.

Comments:

Rancho Mission Viejo, one of the parties to the proposed "Ranch Plan Fire Protection Program" and the corresponding Implementation Agreement, has requested a one month continuance to meet with the Orange County Fire Authority to address recent changes to the State Fire Code that may affect the program. This item was previously continued from the May 22, 2007 Board Meeting. RDMD concurs with the requested continuance. Significant progress on the "Ranch Plan Fire Protection Program" has been made such that Rancho Mission Viejo and the Orange County Fire Authority now indicate that an agreement should be reached during the intervening time period.
