RECOMMENDED ACTION(S)

Set revised Recommended Action 4. on 1/24/2006 Agenda, item 14, to new bid opening time and date of 2:00 P.M., Wednesday, February 22, 2006.

SUMMARY:

Resources and Development Management Department (RDMD) requests a correction to the bid opening date for the slurry seal and asphalt overlay resurfacing of various HBP facilities contract, previously approved.

BACKGROUND INFORMATION:

The Operations and Maintenance Division prepared ASR 05-001618 for the Board of Supervisors approval of the annual Harbors, Beaches and Parks maintenance contract on January 10, 2006, and set the bid opening date for February 8, 2006. Notification was received following that submittal stating that the 10th was to be reserved for emergency items only and that a new board approval date should be selected. The ASR was moved to the current approval date of January 24, 2006, as requested, but the bid

opening date was not changed under the Recommended Action. The February 8th date will not allow sufficient time for advertising and bidding and requires changing to February 22, 2006.

COMPLIANCE WITH CEQA: The subject project is categorically exempt (Class 1) from the provisions of CEQA pursuant to Section 15301 of the CEQA Guidelines.
