Subject: Request for fee waivers for use of Clark Regional Park

Dear Mr. Thomas,

Pacific Coast Archaeological Society (PCAS) and the Orange County Natural History Museum (OCNHM) are co-sponsoring our 5th annual event and the third event at Clark Park on May 6, 2006. The Arch in the Park promotes educational activities in the natural and cultural sciences, creating a greater understanding of our cultural heritage and increasing the protection and preservation of historic and prehistoric sites.

Both PCAS and OCNHM are non-profit organizations and request that the park permit fee is waived as we expect to draw more than 200 park guests to attend this event. This event will be free to the public, and the other operating and materials costs relating to this event are being sponsored by these organizations. This waiver would enable us to provide more for the public who will attend this event at no cost.

We hope that HBP will again support our event and recommend that our park fee is waived.

If any questions, do not hesitate to call me at (562) 941-3448. Thank you for your consideration.

Respectfully submitted,

Sandy Schneeberger, Coordinator Arch in the Park
Board Member: Pacific Coast Archaeological Society
and Orange County Natural History Museum
