Agenda Item No. 4  
September 1, 2010 Meeting

CLERK OF THE BOARD  
ORANGE COUNTY  
BOARD OF SUPERVISORS  
August 2, 2010

**TO:** Children and Families Commission of Orange County

**FROM:** Michael M. Ruane, Executive Director 

**SUBJECT:** Annual Funding Contribution for Orange County Health Needs Assessment (OCHNA)

---

**SUMMARY:**

The Children and Families Commission of Orange County is a co-sponsor of the Orange County Health Needs Assessment (OCHNA) report, a collaborative effort by hospitals, public agencies and non-profit organizations to collect information concerning health needs in Orange County. Continued Commission support is recommended for the next fiscal year.

**OCHNA 2010-11 Work Plan**

The Orange County Health Needs Assessment was developed in 1997 to meet the legal requirements for SB 697 that requires not-for-profit hospitals in the state to engage in a needs assessment of their service areas every three years and develop a community benefits program to submit to the Office of State Health Planning and Development Service.

The data from the OCHNA report is used by the Commission to track improvements and service gaps in health, and identify new or expanded programs to meet the health needs for young children and families. The Commission's Executive Director serves on the OCHNA Needs Assessment Steering Committee, which ensures accountability for the services provided. Public Health Foundation Enterprises, Inc. (PHFE) is the fiscal agent for OCHNA. In addition to supporting the research and production of the report, the Commission contributed funds for specialized projects and services specifically for children within the Commission's targeted demographic. The OCHNA work program and funding plan includes an over sample of families with children 0-5 years old that ensures that the Commission continues to have access to the data required to assess local health needs.

A new contract with PHFE from July 1, 2010 through June 30, 2011 for \$50,000 is recommended to support the development of the 2011 OCHNA report. PHFE will act as the fiscal intermediary between the Commission and OCHNA to disburse the funds that are needed to collect information concerning the health needs of children and families in Orange County and provide an accounting of the expended funds to the Commission.

**STRATEGIC PLAN & FISCAL SUMMARY:**

The program has been specifically reviewed in relation to the Strategic Plan, and is consistent with the Capacity Building outcome goal. This funding request is for the amount of \$50,000 commencing July 1, 2010. Funding for this item is included in the FY2010-2011 Budget within the Performance Outcomes Measuring Systems budget category.
